Sabrina,

The electronic copy of the trip report text is attached.

The figures and photolog are very large and my email won't let me send them.

I will put them on a CD and have it sent down to you. It will probably come down tomorrow, because the large figure is taking a long time to export to PDF.

Let me know if you need them earlier.

Regards,

Megan J. Dudevoir

Subject: Trip Report approval page and FOIA info

Hi Megan, Thanks for making the changes and for providing an electronic copy of all this so that I can add it to our FOIA response. Please take the signed approval and make one final .pdf of the text, then attach the photolog and figure.

In addition, could you help EPA respond fully to the FOIAs received from Todd Hennis, by making sure that any other final documents that mention the Gold King mine, Herbert Placer, the Mogul and Grand Mogul, or any of the individual claims associated with those sites are forwarded to me. I assume that the Mogul/Grand Mogul report(s) for Steve Way have already gone to him. If not, please be sure to get them to me and cc: Steve.

Sincerely,
